21. ___ Do you have a pet door entrance anywhere?
22. ___ Do you have a “beware of dog sign” on the back entrance to the house or anywhere else?
23. ___ Are all of the windows throughout the entire house locked?
24. ___ Do the windows have screws on upper track to prevent window from being lifted?
25. ___ Do the windows have key locks on them?
26. ___ Do all of the windows have curtains so people can’t see into the house?
27. ___ Are there any trees or fences or other means of easily accessing the second floor windows?
28. ___ Are there any large bushes near the front door?
29. ___ Is there anything at all near the front door where a burglar could hide?
30. ___ Are prickly bushes planted below the lower level windows? (Such as golden raspberry or black raspberry bush.)
31. ___ Are there bushes or items around the windows where someone could hide?
32. ___ Is the lawn mowed and house properly taken care of so that it gives the appearance someone lives in it?
33. ___ Are there any tools or ladders left outside, which a burglar could use to gain access to the house?
34. ___ Are sheds or outbuildings securely locked with a padlock or other device?
35. ___ Is the house number clearly displayed near the front door so police and fire can easily find the house in case of an emergency?
36. ___ Is the house number clearly displayed on the mailbox with reflective numbers?

37. ____ Is your last name on your mailbox or displayed anywhere on the outside of your house? (Not a good idea, criminals can call directory assistance and find out if you're home.)
38. ____ Are multiple lights in the house set on automatic timers?
39. ____ Is the TV or radio set on automatic timers for when you're out of town?
40. ____ At night, is there ample lighting at the front door to identify all visitors?
41. ____ Is there ample lighting all around the house? For all entrances of the house and around windows?
42. ____ Are the exterior lights on timers? Do they go on at 6pm every day and shut off at 6am in the morning?
43. ____ Is all exterior lighting high and out of reach of a potential burglar?
44. ____ If you choose not to leave back yard lights on all night, do you have infrared-motion sensor lights for the back of the house?
45. ____ Do you always close your garage door even when you are home?
46. ____ Is the door leading to the garage a solid door with a deadbolt? Is the deadbolt always used even when you're at home?
47. ____ When the garage door is opened does a light automatically come on?
48. ____ Does the garage door have windows? (Not recommended) Is the emergency release cord wrapped so a burglar can't get to it?
49. ____ Do you leave your garage door opener in your car at night when the car is parked in your driveway?
50. ____ If you have a keypad for the garage door, who knows the code besides you?
51. ____ When is the last time you changed the code on the keypad for your garage door?
52. ____ Do you leave a spare house key in your car at night in the driveway?
53. ____ Do you have an alarm system?
54. ____ Do you have a home security sign in your front yard? (whether or not you have a security system.)

55. ___ Do you have a home security sign or a window decal on your back yard entrance?
56. ___ Is the alarm connected to any motion sensors in the house? (near the front door, near the back door.)
57. ___ Is the alarm connected to any glass-break sensors in case a window gets broken?
58. ___ Do you always remember to set the alarm even to run to the store for just a few minutes?
59. ___ Who knows the code to your alarm system besides you?
60. ___ When is the last time you changed the code on your alarm system?
61. ___ Do you use a door jam alarm (GE 50246S smart home door stop alarm) on other areas of the house?
62. ___ Does the alarm system include security cameras?
63. ___ Is a security camera outside capturing the front door and driveway?
64. ___ Is there a security camera inside the house capturing the main entrance and front door area?
65. ___ Is there a security camera outside capturing the back door and basement entrance?
66. ___ What type of security cameras are you using? (motion sensitive, night vision, complete DVR kit)
67. ___ Are any of the security cameras hidden?
68. ___ If you don't use "live" security cameras, do you have any fake security cameras around the house?
69. ___ Are there smoke detectors on every level of the house and do they work?
70. ___ Is there a fire extinguisher in the kitchen?
71. ___ Are valuable documents stored in a fireproof safe?
72. ___ Do you have emergency cash stored in the safe (at least \$1,000)?
73. ___ Do you store half your emergency cash in the safe and the other half in a decoy safe such as a can of shaving cream or soup can?

74. ____ Do you have two fireproof (Sentry brand) safes, with one to use as a decoy and the other to store the valuables?
75. ____ If someone visits your house, such as a plumber, are there valuables laying around the house revealing you have money?
76. ____ Are all valuables engraved with your driver's license number?
77. ____ Are valuables photographed for insurance purposes?
78. ____ Do you leave any valuable information inside your car at night or during the day, which tells people details about your home and family?
79. ____ When you go on vacation do you have a neighbor that can check your house every two days?
80. ____ When you go on vacation do you leave any signs at all? (An answering machine, a facebook message, the newspaper piling up on the front door.)
81. ____ When you go on vacation do you have lights on timers that turn on in different areas of the house? (A light in the kitchen and one in the upstairs hallway.)
82. ____ Do you have a firearm stored in the house?
83. ____ Do you own a handgun and a shotgun?
84. ____ Do you have a firearm stored on each level of the house?
85. ____ Have all members of the house received firearms training?
86. ____ Does each member of the family know how to operate every single gun that you own?
87. ____ How are the firearms stored? (In a safe, a Gun Vault, etc.)
88. ____ Do you always keep your self defense gun loaded with a round in the chamber?
89. ____ Do you have an extra magazine, fully loaded with the gun?
90. ____ Are you using jacketed hollow point self defense ammunition? (Such as Cor-Bon, Speer Gold Dot, Federal Hydrashok)
91. ____ Do you have at least 100 rounds of self-defense ammunition in the house?
92. ____ Do you have a flashlight with the gun, such as a SureFire?

93. ____ Do you have a knife? (Such as a Benchmade or Cold Steel)
94. ____ Have you practiced how long it will take you to access the gun, if you are suddenly awoken in the middle of the night?
95. ____ Do you designated a safe room?
96. ____ Does the safe room have a solid core door?
97. ____ Does the safe room have a deadbolt and use three inch screws?
98. ____ Does the safe room have a peephole?
99. ____ Does the safe room have the following items: a cell phone to call the police, a 72-hour kit with first aid, a flashlight, a firearm with plenty of ammunition, a set of house keys, a glow stick (to throw your keys to the police out the window), a fire ladder, a knife.
100. ____ What area of the safe room will everyone gather in?
